HOW IT WORKS

Remote Area Medical -- RAM has provided free care to more than 740,000 individuals. This year, RAM will be at Manatee Technical College (MTC) on Saturday, October 13 from 6:00 a.m.-4:00 p.m. and Sunday, October 14 from 6:00 a.m.-noon.

- Help is first come, first served.
- The parking lot will open at midnight.
- Tickets for services are distributed in the MTC parking lot at 3 a.m.
- Clinic doors open at 6 a.m.

Families are invited to spend time at SCGLR's Reading Nook where children can select a book of their choice to take home. Additionally, SCGLR will be present to share parenting tips. Please share this life-changing event with anyone who may need medical services.

-- Starting Young -- Creating a Culture of Family Engagement

Research shows that students with families engaged in their education are more likely to:

- Learn to read faster
- Have higher grades and test scores
- Adapt better to school and have better attendance
- Have better social skills and behavior
- Take more challenging classes
- Graduate
- Get promoted

That's a big deal! Know what else is a big deal? Elementary school students are only at school 14% of the day. 33% of their time is spent sleeping, and guess what! A whopping 53% of the time, they are awake and out of school! That's why parents and families play the most powerful and influential role in a child's life. As a child's first teacher, brain builder, advocate, and coach, parents and families set the stage for success in the early years and early grades.

- Family Fun -

Big league family fun at Ed Smith Stadium on October 13!

The kiddos are invited to dress up in their favorite costume as they enjoy games and activities on the concourse and outfield from 5-6:30 p.m.

A costume parade around the bases will begin at 6:40 p.m.

Following the parade, the movie, Hocus Pocus (PG), will play at approximately 7 p.m.

SCGLR is offering [Mind in the Making workshops](#) to help prepare parents and families for this critical role. The Mind in the Making workshops provide participants with a fun and interactive opportunity to reflect on their own experiences and practices, learn what researchers have discovered about how children (and adults) learn best, and discuss how to apply the knowledge. This program is an excellent way to improve communication and become a better role model so children can be ready to learn.

If a previous classroom or learning experience has been stressful, you'll be happily surprised at how fun it is. Halfway through, you'll be surprised how much you look forward to going to the next class. By the end, you'll be genuinely sad its over, and you'll be shocked at how life-changing it is.

What will it take to create the future we want, and what do we have together? One tool is Mind in the Making.

Please join us on a learning adventure designed to help our kiddos thrive!

Top 5 reasons to go.

- FREE Childcare
- Meals Provided
- Convenient dates, times, and locations / new classes
- Moms, dads, and grandparents are welcome
- An excellent way to show the ♥ love ♥ to the little ones in your life

[Mind in the Making](#) is made possible by the Suncoast Campaign for Grade-Level Reading. This initiative is strengthened by support from [The Patterson Foundation](#).

If you would like to have a series of workshops at your place of employment, church, or community organization, or are [interested in participating in the workshops](#), please contact SCGLR at info@gradelevelreadingsuncoast.net.

Bring a blanket to enjoy the movie on the outfield or watch from stadium seating.

Concessions are available for purchase. No coolers or outside food allowed, except for sealed water bottles. No strollers, lawn chairs or high heels on the field.

Admission is a non-perishable food item donation to All Faiths Food Pantry.

Howl-O-Ween Move Night Spooktacular is presented by Sarasota County Parks, Recreation and Natural Resources, the Sarasota Film Festival and the Baltimore Orioles.
