Join The Florida Center for Early Childhood and the Suncoast Campaign for Grade-Level Reading for a webinar designed to help parents and children, 6 years old and younger, talk about the coronavirus and COVID-19.

Beth Duda, Director of the Suncoast Campaign for Grade-Level Reading will ask Dr.
Kristie Skoglund, COO of The Florida Center for Early Childhood, questions from young children.

This **twenty-minute webinar** will help children and parents navigate the challenging new realities we are all facing in a way that is honest, accurate, and minimizes anxiety or fear.

**WEBINAR #3**

**FOCUS: PARENT CHAT: How to help children deal with COVID-19**

**Friday, April 3, 2020**

**4:00-4:30pm**
The COVID-19 pandemic is a serious health concern for most people right now. For kids taking in the new challenging realities we are all facing, worries and fears may be especially daunting. Many parents are wondering how to bring up the epidemic in a way that will be reassuring and not make kids more worried than they already may be.

Join The Florida Center for Early Childhood and the Suncoast Campaign for Grade-Level Reading for a **half-hour webinar** designed for parents to help their children deal with the worry and fear surrounding COVID-19.

Beth Duda, Director of the Suncoast Campaign for Grade-Level Reading, Tamra Cajo, Director - Fetal Alcohol Spectrum Disorders Clinic for The Florida Center for Early Childhood, and Marina Bunch, Clinical Director of Infant and Early Childhood Mental Health Services for the Florida Center for Early Childhood will discuss how parents can help themselves and their children through this challenging time.
