## Part Time Employment Opportunities

The U.S. Census Bureau is hiring again in our area! For more information visit [2020 Census Jobs](#). Details include pay rates as high as \$18/hr as a part time census enumerator, 20-40 hours/week, plus paid training. You can also reach out directly to [Rebecca Horch](#), recruiting assistant for the U.S. Census Bureau

## Look Out For Census Workers!

While door to door knocking hasn't started yet, census workers are dropping off paper forms to houses that haven't completed the census. Beginning in August, enumerators will go door to door to do in person collection of data. Remember, census workers will never ask for a social security number or credit card. People can still complete the census online ([my2020census.gov](http://my2020census.gov)) or over the phone (844-330-2020).
