

ASPIRATIONS TO ACTIONS MOMENTS

Shareable Moments and Reflections from the Stewart Stars Book Circle at their final meeting

With the Coronavirus all over the news and impacting our daily activities, we had a discussion about how we need to be cognizant of the community at large — especially the impact on the older population and the potential economic impact in our poorest communities.

However, with everything going on, we still remain hopeful. We want to lead hopeful, fulfilling lives where we can lead by example, treat others the way we want to be treated, and bloom where we are planted. "Not all of us can do great things, but we can do small things with great love." — Mother Theresa

We plan to start a Facebook group called Stewart Stars Care where Stewart Elementary families and others in the community can find out about volunteer opportunities available.

We greatly enjoyed the book and plan to continue on our own with a new book.
