Legacy Of Valor

Partners

Local Northern Trust employees continue to show their support for active duty military through their Military Appreciation Assistance Resource Council (MAARC). Employees from the Sarasota/Tampa region contributed, packed and shipped nearly 50 boxes of requested supplies to an active Army unit during their 2013 Military Care Drive.

MAARC (an affinity group at Northern Trust) has a mission to engage and benefit military service members, along with their family members, within Northern Trust and its surrounding communities by providing assistance and resources in networking, professional development, education and community involvement while serving as a business resource.

MAARC is partnering with The Patterson Foundation and the Legacy of Valor for Wreaths Across America. MAARC will offer a challenge to their employees in which they match wreaths purchased by local Northern Trust employees.

Ways to Connect

Meet Ryan Simonson, the newest Legacy of Valor team member. His area of focus is the business sector and tying that back into existing LOV partners as the businesses in
