WREATHS ACROSS AMERICA

This Saturday, December 14 everyone in the community is invited to Sarasota National Cemetery to help place approximately 6,500 wreaths on veteran gravesites. All wreaths donated at SNC will be housed in a climate controlled warehouse until a specific request has been made to lay a wreath at that gravesite.

We’re excited and pleased to share that progress on Patriot Plaza is continuing throughout the next several months as were just recently installed.

Cemetery to see the progress first hand throughout the next several months as.
