SPIRE CoLab, a partnership between The Patterson Foundation and the Herald-Tribune Media Group, helps the state to connect writers, news organizations, and storytellers to reach more people to support meaningful work they do as a part of the community.

Moving the Needle
The Campaign for Grade-Level Reading’s vision is based on the idea that, with our work and our external partnerships, every child will be able to say, “I CAN READ!” Each letter in this classroom window for a different state that speaks to the heart of the campaign in Manatee and Sarasota counties.

Learning & Sharing
The Suncoast Campaign for Grade-Level Reading’s vision is based on the idea that, with our work and our external partnerships, every child will be able to say, “I CAN READ!” Each letter in this classroom window for a different state that speaks to the heart of the campaign in Manatee and Sarasota counties.

SPClA Vroom Ambassador

“Someone who really inspired me was Paule Franklin,” said her daughter, Paule. “She was a teacher and a very passionate teacher and a wonderful teacher.”

Paule, who is a SCGLR Vroom Ambassador, works as a teacher at a local school and she has been involved with the campaign for several years. She helps to spread the word about Vroom and encourage others to use it.

Paule feels strongly about the value of Vroom for children, and she believes that it is an important tool to help them develop their reading skills.

Paule is dedicated to the movement and wants to be a part of it. She is working hard to promote Vroom and encourage others to use it.

Thank you, Paule!

We are grateful for all of our Vroom Ambassadors and volunteers and the meaningful work they do as a part of the community movement of the Suncoast Campaign for Grade-Level Reading.
