

Join Us for Virtual Community Conversations

ASPIRATIONS TO
ACTIONS

Our connections to each other are keeping us positive, engaged, and focused on what is possible during this time. Individuals, businesses, and nonprofits are finding new ways to stay in touch, learn from each other and plug into opportunities in our communities. **Manatee Community Foundation** and **The Patterson Foundation** invite you to join us for a series of virtual community conversations to share how you are adapting and innovating in life and work.

These conversations offer a way to strengthen our connections during this time and to start planning with intention for what comes next.
