OPPORTUNITIES FOR IMPACT
The Patterson Foundation capitalizes on methods to refocus efforts toward lasting impact.

INTERNAL STAKEHOLDERS
Engaging all stakeholders — CEO/ED, board, staff, donors, and volunteers. When we understand the "Why," we embrace the "How" and the "What."

EXTERNAL STAKEHOLDERS
Working together with people, businesses, nonprofits, government, and the media to rethink obstacles and explore solutions.

MOVING THE NEEDLE

Finding ways for people to engage and create their desired future

**Scarcity**
Expanding a narrow scope of thinking to a broad view of the collective resources from multiple sectors

**Abundance**

**Issues**
Shifting the focus from problems, challenges, and barriers to a shared vision and new possibilities

**Aspirations**

**Enabling**
Rather than taking actions that perpetuate problems, creating opportunities that change realities

**Engaging**

**Silos**
Rather than acting in isolation, exploring, discovering, and working together in a shared ecosystem

**Systems**

**Outputs**
Rather than focusing on short-term actions, optimizing efforts toward long-term impact

**Outcomes**
