Join SCGLR on Friday, April 24 for the FREE 45-minute screening of **No Small Matter** at 10am. [Your RSVP is required.](#)

No Small Matter is the first feature documentary to explore the most overlooked, underestimated, and powerful force for change in America today: early childhood education.

Through poignant stories and surprising humor, the film lays out the overwhelming evidence for the importance of the first five years and reveals how our failure to act on that evidence has resulted in an everyday crisis for American families and a slow-motion catastrophe for the country.

This is a statewide effort brought to Florida early learning advocates through our official screening partner, the Florida Grade-Level Reading Campaign.

Joy Thomas Moore Returns. If you participated in **The Power of Presence** book circles or are just looking for another way to connect, join The Patterson Foundation and Joy for [three one-hour webinars.](#)
