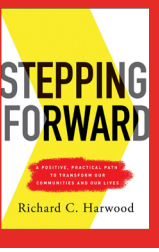
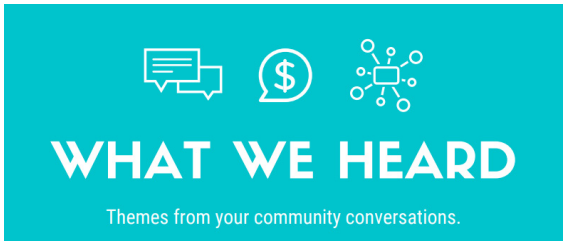
# ASPIRATIONS TO ACTIONS MOMENTS



## Sharing is Caring

There's a lot happening in the world right now, and during April and May, The Patterson Foundation asked our community to share their positive experiences and challenges throughout this new life experience. You can read the full blog about what we learned from your feedback here!



View the themes surrounding concerns and aspirations from the community conversations here!

## Look for a message from The Patterson Foundation

If you've registered to lead a book circle but haven't yet completed your meetings, The Patterson Foundation will be reaching out to check in with you! Look for an email from Hannah (hsaegerkarnei@thepattersonfoundation.org).

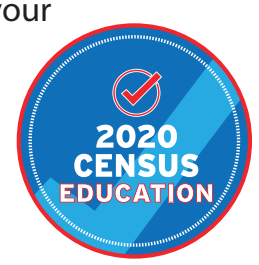
## Census 2020 Efforts Continue

Starting in July, U.S. Census Bureau workers will begin going door to door to fill in non-response addresses. COVID-19 is still a consideration for field workers and neighbors alike. The easiest way to ensure that everyone stays safe while achieving a complete count is to fill out the census online at www.my2020census.gov or by phone. While the information on your census form remains confidential for 72 years, there isn't anything included that you wouldn't already know about friends or family on the form, so don't be wary of helping your network complete their census.



## Continue the Conversation

A2A Moments is a weekly update of photos, moments of possibilities, feedback, and stories that book circles share with The Patterson Foundation.

Don't forget to send in your tidbits to hsaegerkarnei@thepattersonfoundation.org to be featured in an upcoming A2A Moments!

Help The Patterson Foundation see where people in the four-county area are stepping forward! Add your zip code to this **PollEverywhere** — we'll share the results in upcoming newsletters.
