3rd Grade Reading Success Matters

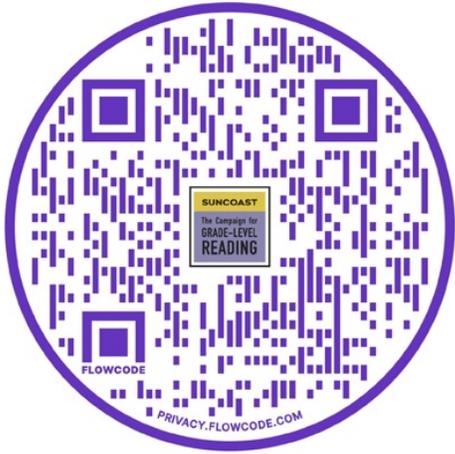

November 2021

Q. What sound does a turkey's phone make?

A. Wing Wing!

Remake Learning Days Highlights Educational Experiences Across the Suncoast

The [Suncoast Campaign for Grade-Level Reading](#) is bringing the globally recognized [Remake Learning Days](#) program to our region in 2022. Remake Learning Days is a 10-day festival of free, experiential learning events for children and families organized by learning themes, including the arts,

maker spaces, outdoor learning, science, technology, and youth voice. In addition, there will be professional development opportunities for school, out-of-school, child care, and non-traditional educators. (Think of it as the world's largest multi-venue open house for hands-on learning from April 29th to May 8th, 2022.)

During Remake Learning Days, a variety of organizations — schools, museums, libraries, after school organizations, early child care centers, universities, media centers, tech startups, and more — open their doors to welcome families or travel into neighborhoods to host hands-on, relevant, and engaging educational experiences for youth of all ages (pre-K through high school) and their families, caregivers, and educators.

Discover how you can participate....it's going to be FUN!

Give your child a tour of your spices, letting them smell ea one & asking what they smell like. Any that remind your LO of fall? Chat about it. Talk about what meals you make w those spices & make plans for cooking together this month! Your LO is connecting smells to words.
