The experiences, stories and memories from the Veterans Legacy Summit (VLS), an extraordinary series of events that brought individuals, organizations and foundations together from over 25 states, Washington D.C. and Puerto Rico, is now three weeks behind us, yet its impact continues to triple through members of our community and beyond. Here are just a few examples of the touches VLS has made and how its mission lives on through those who attended and participated.

With the American flag flying proudly overhead, the voices of children, and Patriot Messenger, invited the audience to join her in singing God Bless America.

The most moving moments came when the band's vocalist, Mary Kay Sisters Medley, complete with dancing in the aisles. Perhaps one of the most moving tribute to the five branches of the military and the men and women who have served, are serving, and will serve in the future. The ceremonial presentation of the Garrison Flag, the West Point Band's rendition of the Star Spangled Banner, and the sight of more than 25 young men and women taking their oath of enlistment were moments that brought chills and tears to the audience clapping, beaming, and tapping their toes. The concert even had the audience jumping to its feet on more than one occasion. Patriotism for me continues to be a daily occurrence and more impactful each year. People often come up to me and tell me how moved they were by the film. That was 'That was awesome!', 'They were great', 'I'd like to go to that school'. Professional musicians come in and teach master classes was one of the touches they left.

From the staff at SHS, the concert began and the room was absorbed by the music. The band played a wide selection of music that had American.

Having a professional to join her for the Friday night showing. The film, particularly interested in seeing the Soledad O'Brien film, about the Film Festival at her volunteer orientation meeting. She was Beth Duda, Film Festival Producer. One of the volunteers, Joan, heard about stories “stimulated by the Veterans Legacy Summit” on the WUSF Veterans Coming Home radio program. She met Jake Clark, creator and Executive Director of Save a Soldier.

To volunteer this year for Wreaths Across America. We have been spearheading since Sarasota National Cemetery by 8:30am on Saturday, Dec 13. The ceremony begins officially at 11:30am. To volunteer this year for Wreaths Across America, please arrive at Sarasota National Cemetery by 8:30am on Saturday, Dec 13.
