

STRENGTHENING PEOPLE, ORGANIZATIONS, AND COMMUNITIES

Rather than arriving with the answer, The Patterson Foundation believes that people, organizations and communities are the best architects for their own future. The Foundation collaborates with these groups to strengthen efforts toward achieving shared aspirations.

People

Guided by individual values, experiences, and expertise, people engage in the world beyond themselves to create positives.

Organizations

Organizations are collectives — each with a mission focus to build a vibrant society.

Communities

Through the collaborative efforts of people, businesses, nonprofits, government, and the media, we can achieve greater impact toward community thriving.
